Trimble schools move up classroom start date

Board votes to freeze tax rates

BY COLLIN OVERTON

Trimble County Schools will begin holding in-person classes sooner than previously expected, Board of Education members decided Tuesday night.

The district had projected a possible Oct. 12 return date at its Aug. 11 meeting after a recommendation by Gov. Andy Beshear that day to delay face-to-face instruction until Sept. 28 or later due to rising COVID-19 cases. It was hoped that a return to classes after the fall break would provide enough time for the virus to flatten and make for a safer restart, board members said at the time.

However, speaking on the night before virtual classes began throughout the district on Wednesday, Superintendent Jessica Wilcoxson said she has since received feedback from district employees suggesting classes should resume on Sept. 28 with the district using the week before fall break to assess the safety of the restart and the use fall break to make any necessary adjustments.

According to the most recent COVID-19 update by the North Central District Health Department on Aug. 24, Trimble County had six active cases and 47 overall since the start of the pandemic. A New York Times dashboard shown to the rest of the board by Wilcoxson Tuesday indicated an infection rate of 0.9 people a day, a rate much lower than surrounding counties.

District principals agreed with Wilcoxson on the earlier start date and when asked by board chairman William Robertson on how they felt about returning at the end of next month.

"I would say overall, in my building, teachers want kids in the building," Jr/Sr High Principal Tracy Poe said, adding that at the same time a few had reached out with concerns over returning before the recommended date.

Bedford Elementary School Principal Shannon Stark referred to a survey conducted among families in which 30% said their child would learn virtually for the semester, meaning less crowding in classrooms and only about 16 students per classroom as opposed to 30.

"I have a couple of staff members that are concerned about family members that they go home to that have pre-existing conditions or other health

Felony charges filed in hit-and-run accident

BY MARK CAMPBELL

A Madison man is facing a felony charge for leaving the scene of an accident after being involved in an hit and run with a motorcycle Friday night on Madison's hilltop.

Cory R. Lewis

Cory R. Lewis, 28, of Madison, Indiana, allegedly fled the scene of the accident, but was later located by Madison police and charged with leaving the scene of an accident with serious bodily injury, a Level 6 felony.

Madison Police Department responded to the accident at approximately 10:26 p.m. on Friday at the intersection of Ivy Tech Drive and Michigan Road. Upon arrival they found a damaged motorcycle and the rider, Joshua Haycock, 34, of Indianapolis, suffering from non-life threatening injuries.

Haycock was reportedly traveling west on Ivy Tech Drive, approaching the intersection of Michigan Road, when his bike was struck by a vehicle driven by Lewis, who then fled the scene but was later located by Madison police. Haycock, who was alert and conscious, was transported to the

Trimble Fiscal Court sets 2021 tax rates same as 2020

BY COLLIN OVERTON

Trimble County Fiscal Court voted to keep 2021 property tax rates the same as this year in a special called meeting over Zoom Tuesday morning.

County official said the decision to keep tax rates the same as this year was due to the economic impact of the COVID-19 pandemic and the hardships it's created for county residents and businesses. The rates should still produce more revenue than this year due to growth and new development.

Magistrates had meant to pass the tax rates at their Aug. 17 meeting, but the item was left off that agenda, Judge Executive Todd Pollock said.

As adopted, tax rates for 2021 will remain 7.8% on real property, 7.8% on personal property, 8.8% on motor vehicles and water craft and three cents per acre on fire acres.

The 2021 taxes are due in the fall of 2021.

Jesse still has the same old soul

CHARLIE'S BEAT

If you were around Madison in the 2000s, you probably remember the band Same Soul. They played the Electric Lady it seemed like every other weekend, not to mention The Red Bicycle Hall and JoeyG's and many more. The band went through a lot of changes before it finally ended around 2011, but Chris Jesse was the glue that held it together for nine amazing years.

"I was a Trimble County boy," says Chris, "and I was singer in a high school band, but I never played guitar early on. I'm left handed and I didn't know they made left handed guitars. Eventually I figured it out, and I started playing at some open mics.

"Rusty Bladen was hosting open mic at the Electric Lady back around 2000, and Jimmy was playing and lots of other folks. I got up the nerve and did it a few times. Then I also got involved in this jam night at a house over in Trimble where I met Brice Hall, just up from Alabama. That chance meeting set the course for Same Soul and the next phase of my life.

"One night Davey Harmon and Big John Adkins were playing at the old McQuistons restaurant (later 605, now Bad Apple Macs) and invited me and Brice to come listen. We got talking to the owners and next thing I know we had a gig. Now, we didn't have a band name, and I had to rush out and buy a cheap PA system to play through.

"As it happens there was a new U2 song we were listening to, and it had the lyric 'We fight, all the time; You and I, that's alright; We're the same soul." I think it was about a father and son. Anyway, Brice and I kinda looked at each other and said 'Same Soul, that's it!'

"Eventually we got Joe DeVito to join us to play bass. Joel Storm came along on drums. And then when we picked up Big John to play keyboards, it all came together. Big John took us to the next level.

"The line-up shifted as the years passed, as bands often do. J.T. Glasgow took over on drums, and Derrick Howard replaced Brice on guitar. Big John Adkins, of course. Erik Brunner came along towards the very end. Those were the glory years for Same Soul, like

HDBR OKs Mad Paddle application

New doors needed for distillery expansion

BY MARK CAMPBELL

Madison's Historic District Board of Review gave its approval Monday to Mad Paddle Brewery's application to install new doors to help clear the way for the downtown microbrewery to expand its operation to include distilled spirits.

According to Mad Paddle's Jerry Wade, the security grade door upgrades are required to bring the operation into compliance with federal guidelines for operating a distillery. The company, Wade Investment Partners 301LLC, is in the process of expanding the 301 West Street operation to function as both a brewery and a distillery as well as an event venue. He said the move to add distilling is part of the company's Phase II expansion that he hopes to accomplish by Oct. 31.

Under the plan submitted to the HDBR, an existing door would be upgraded and a current window would be replaced with a door designed to be consistent with other features of the 1840-era Federal-style structure. The expansion will see the operation expand from 1,800 square feet to more than 8,000 square feet.

Adding a new door in place of a window is not specifically included in the HDBR's guidelines, but since the door will be constructed in a manner consistent with other doors and features of the building, board members voiced no opposition to the application and the vote was unanimous.

In other business, the board considered two applications for replacement of wooden windows with vinyl fiber core replacement windows with the first application denied on a 4-2 vote due to non-compliance with design and material standards and the second application withdrawn since it was for an identical type of replacement window.

Lisa Riggio had asked for a certificate of appropriateness to replace more than a dozen deteriorating wooden windows in her home at 704 West Street with vinyl fiber core replacements. Citing that historic district guidelines specifically prohibit vinyl replacement windows, the board rejected the application but recommended that Riggio apply for a PACE grant to help offset some of higher costs associated with rebuilding her existing windows or replacing with wooden or other approved materials.

The next application, by Sharon Caggiano of 123 Sering Street, sought to replace her windows with the exact same replacements sought by Riggio. Having just seen the outcome of the previous application, Caggiano told the board she would consider other options — including a PACE grant — before coming back before the board.

"Obviously, I know what's going to happen," Caggiano said. "I just need to know where to go and maybe have some help paying for it."

Board members reviewing Caggiano's application and the dozens of photos she provided, said her situation might not be as bad as she thought based on the attached photos. They urged her to consider doing maintenance on the existing windows rather than replacement.

"These are lovely windows," Board member Owen McCall noted. "They look like they just need to be reglazed and painted."

In the final business Monday, the board voted 6-0 to modify its rules and procedures to allow staff members more authority to approve certain types of applications without board approval in an effort to expedite the application process and save property owners time and money.

The city building inspector will now be allowed to inspect windows and determine if they should be repaired or replaced and to offer suggestions to property owners on the various options for improvements. The building inspector can still seek board input when necessary and property owners can appeal the inspector's decisions to the board but most applications will be decided without board approval.

Southwestern funding uncertain ahead of collective bargaining

More than 75 students out over COVID-19 concerns

BY COLLIN OVERTON

With the window for collective bargaining approaching, administrators at Southwestern Jefferson County Consolidated School Corporation are unsure how much they'll have to allocate due to shifting deadlines at the state level amid the ongoing COVID-19 pandemic.

Under a collective bargaining agreement, negotiated between the administration and educators each fall, teachers negotiate wages and fringe benefits, such as health insurance, disability, retirement benefits and paid time off. The window for negotiations is scheduled from Sept. 15 through Nov. 15, followed by a ratification meeting to finalize benefits with the state.

Indiana funds schools based on average daily membership (ADM), taken each semester and in September during the fall semester. Schools receive a fixed amount for each student, plus additional dollars for students who require special services. However, a law introduced before the pandemic mandates that schools receive 85% of funding for each student who completes at least half of their instruction virtually, meaning schools around the state would receive far less this year due based on how many families register their children for online rather than classroom instruction.

Gov. Eric Holcomb addressed the need to fix the law or create exemptions over the summer. On Aug. 12 he asked the Indiana State Board of Education to delay the count date for fall enrollment through at least December. However, a solution on fully funding schools regardless of virtual enrollment could come as late as after the start of the January 2021 legislative session.

Superintendent Jeff Bates explained the situation to the board and audience at Monday's public hearing while corporation attorney Susan Traynor stood by on a Zoom call. Due to the potential count date change, the bargaining window could also be moved to January through March, Traynor explained. Bates added that teachers and administrators could still enter informal bargaining before Sept. 15 or until an announcement was made on the formal window.

Southwestern would miss out on significant funding if legislators do not allow 100% funding for online students. In addition to nearly 20 students choosing homeschooling this year, about 140-150 have chosen virtual schooling, meaning the district could miss out on more than $146,000 if those students were funded at 85%. Additional unexpected costs for controlling the spread of the pandemic are adding to the funding problem, Bates said.

Funds from ADM are funneled into Southwestern's education fund, which covers instruction expenses directly used toward student instruction like teachers, counselors, aides, classroom supplies and paraprofessionals. Local property taxes fund the other expenses like transportation, bus replacement, capital projects, utilities, superintendent salary and benefits, custodial maintenance and property maintenance, among other costs. Operations funds cannot be used for instructional items or in bargaining unless the board makes a resolution to transfer a specific amount to the education fund, Bates said.

While the 15% cut would hurt, Bates on Wednesday noted that the state effectively makes cuts all the time by adopting various unfunded mandates without helping schools cover those costs to stay in compliance. One example, he said, was the 2019 Indiana bus law requiring drivers to not let students cross the highway on dropoffs or pickups on state and federal highways outside of city limits.

"That causes everyone to have to change routes, and when you change routes, you have to pay your bus drivers more because they have to go a mile down the road, turn around and pick someone up on the right side … they pass things thinking 'Hey, this is a good idea,' and it is as a safety thing, but if you're going to pass it, give us the money to be able to make up the difference in what you're having us do."

In other reports, the school district so far has sent more than 75 students home this semester to quarantine due to contact with other students who have tested positive for the coronavirus. However, those students are not counted as virtual learners for state funding.

Bates said another student tested positive Monday, bringing the district's total to two since the start of the year. Three additional students tested positive right before the school year started, but those students have since been cleared to begin classes, he said.

The result has been a time-consuming process for the corporation's principals, who are tasked with tracing every student who came within six feet of the infected person for more than 15 minutes and reporting those names to the school nurses. The nurses then contact the families of the exposed students so that they can be isolated at home and take classes online until cleared medically, Bates said.

OTHER HIGHLIGHTS FROM MONDAY'S MEETING INCLUDED

- Received donations from Duke Energy for back-to-school supplies and Hanover Presbyterian Church for elementary textbook rentals as well as 244 cases of hand sanitizer from Southwestern graduate Philip Smith through his employer, Cincinnati-based flavor company IFF Frutarom.
- Passed a resolution allowing the district to not have to pass a resolution each time a new policy must be implemented to stay in accordance with state guidelines on COVID-19. As a condition of the resolution, Bates is required to inform the board of any regulations that he suspends or adds to stay in compliance with the governor or state legislature.
- Heard a report by Junior High Principal Jason Watson that over the past school year, that he, Adams and High School Principal Matt Owens have applied for and received eight different grants totaling $58,000 to support Southwestern's Project Lead the Way (PLTW) program. The funds cover training for teachers at each school, equipment, supplies and new classes in areas like biomedical and engineering.
- Accepted the resignation of Ed Hensley, the bus driver who received a three-day suspension without pay in February for interfering in a physical altercation between a student and his mother. Hensley confirmed Tuesday that he now drives for Madison Consolidated Schools where he was able to accept a full-time position with benefits.

Jefferson surpasses 200 COVID-19 cases

BY COURIER STAFF REPORT

COVID-19 cases in Jefferson County are trickling in at a slower rate compared to last month, but the county recently hit the 200 mark in the sixth month of a pandemic that continues to spread statewide and nationally.

According to the Jefferson County Health Department last Friday, 201 cases have been confirmed in the county since last March. The ISDH dashboard still showed 198 cases Monday after its 1:30 p.m. update, but it did show the third COVID-related death recorded in Jefferson County Friday.

So far 4,241 residents of the county have been tested for the virus and 8.5% tested positive between Aug. 10 and Aug. 17, according to the dashboard. All surrounding Indiana counties except Switzerland (63) had higher case counts, a trend consistent throughout most of the pandemic.

Meanwhile in Trimble County, the North Central District Health Department last reported on Friday two new cases, both adult females, to bring the active case total up to eight. Trimble has recorded 45 cases throughout the pandemic with no deaths and 37 recoveries.

Carroll County reported six new cases Friday to add to its Thursday total of nine active cases, according to the Three Rivers District Health Department. Since March, 173 residents of Carroll have tested positive for the virus, with 162 recovered and two deaths. One person is currently hospitalized with COVID-19 and another is in a long-term care facility.

The incident was investigated by Patrolman Jordan Perry, who was assisted by Capt. Rick Mundt, Lt. Season Jackson and Patrolman Cody Lewis.

During that investigation, police learned that approximately 20 minutes prior to the accident, it was reported that a verbal altercation had taken place between Haycock and Lewis at the Circle K convenience store located at 115 Clifty Drive less than a mile from the scene of the crash.

Lewis was lodged in the Jefferson County Jail on a $1,000 cash bond. Lewis has previously served jail time in January 2020 for operating without a license.

Governor extends statewide mask order for 30 more days

BY THE ASSOCIATED PRESS

INDIANAPOLIS — Indiana's governor extended Wednesday the statewide face mask order that he first issued a month ago aimed at slowing the coronavirus spread.

Republican Gov. Eric Holcomb announced he was keeping the mask mandate in place for another 30 days.

Holcomb said he was also extending the state's limits crowd sizes for restaurants, bars and public events. Those orders were all set to expire late Wednesday unless the governor acted.

Holcomb said he was pleased the state's rates of new coronavirus cases have been holding steady and he does not want to see it trending up again.

State health officials on Wednesday recorded 18 more coronavirus-related deaths. That raised the state's pandemic death toll to 3,259, including confirmed and presumed coronavirus cases, in the five months since Indiana's first fatality was reported in mid-March, according to the Indiana State Department of Health.

Indiana's COVID-19 death rate has remained steady since the mask order took effect July 27. Both coronavirus hospitalizations and the seven-day average of 920 newly confirmed infections as of Tuesday have remained slightly higher than a month ago.

The current statewide mask order is set to expire late Wednesday, along with the limits Holcomb has kept in place on crowd sizes for restaurants, bars and public events.

Violating the mask order has carried no penalties. It directs face covering use by anyone ages 8 and older in any indoor public or business areas and at outdoor public spaces when sufficient distancing can't be maintained. It also requires masks in schools for grades 3 and above by students, teachers and other employees.

Pollinator Habitat offers self-guided tour this weekend

BY SPECIAL TO THE COURIER

The Jefferson County Pollinator Habitat is offering a self-guided tour and scavenger hunt this weekend.

Monarch butterflies, caterpillars, native wildflowers blooming in yellow, red and pink are just a few of the things you can see. The tour, Aug. 29-30, is hosted by the Jefferson County Pollinator Action Group and a map to all six habitats is available. There will be a scavenger hunt to help kids explore the habitats.

"The tour is a free, fun way for families to get outside and learn a little bit about the pollinators that are native to Jefferson County," said Kristin Miller, coordinator for the Jefferson County Soil and Water Conservation District.

Native pollinators include butterflies, birds, bees and other animals that help wildflowers and crops grow. The pollinator habitats in the tour were planted around the community in 2019, to provide habitat for pollinators where they can eat, rest, lay eggs and grow.

"We're already seeing so much life in the plantings," said Miller. "Last week, we saw monarch butterflies and all sorts of caterpillars.

"These native pollinators do so much for people," she added. "Pollinators make our favorite foods possible, like blueberries and watermelon."

Pollinators are responsible for one out of every three bites of food people take, according to the US Department of Agriculture. Much of that work is done by honey bees in large commercial orchards but there are more than 3,500 species of native bees that help boost crop yields around the countryside.

Submitted

A look at one of the six pollinator habitats included in this weekend's self-guided tour.

However, native pollinators do face a major shortage of habitat.

"Our community wanted to make sure there was a place for pollinators and the native wildflowers they need are beautiful. It's a win-win," Miller said.

The Pollinator Action Group planted the 10-foot by 50-foot habitats with support from the Community Foundation of Madison and Jefferson County and with help from staff and volunteers at each host site, from Ivy Tech to the Jefferson County Fairgrounds.

The habitats include a wild diversity of native plants, along with signs that help visitors learn about the plants they are viewing.

"Our hope is that people see the habitats and feel inspired to add native plants to their yard or farm. We can all help pollinators, and add some beauty to Jefferson County," Miller said.

The event is COVID-19 safe with social distancing easy to achieve as families can tour four pollinator habitats in Madison and three in Hanover. The map of the self-guided tour, and the scavenger hunt, are available on the group's Facebook page. On Facebook, search for "Pollinator

Action Group," or call Kristin Miller at SWCD at 812-265-7609.

OBITUARIES

Randy Davis Sr.

William Randolph "Randy" Davis Sr., 80, of Seymour, Indiana, died Friday, Aug. 21, 2020, at his home.

He was born Feb. 15, 1940, in Anderson, Indiana, to William H. Davis and Marjorie Nolan Davis. He was an instructor at the Indiana Law Enforcement Academy for 30 years, a veteran of the U.S. Marines and a member of the Fraternal Order of Police. He attended St. Paul Episcopal Church in Columbus, Indiana, and enjoyed woodworking, cars, movies, gun cleaning and gun collecting. He had a passion for training police officers — he taught physical tactics and firearms training — and even after his retirement conducted sniper schools.

Survivors include a daughter, Donna Hallgarth of Madison, Indiana; a son, Greg Davis of Avon, Indiana; two sisters, Diane Macquire and Kimberly Cannon and a brother, Doug Davis, all of Anderson, Indiana; and several nieces and nephews.

He was preceded in death by his parents; two brothers, Rod Davis and Mac Davis; and a son, William Randolph Davis II.

A memorial service will be held at 1 p.m. on Saturday, Sept. 12, at the Woodlawn Family Funeral Centre in Seymour. Visitation is from 4 p.m. to 8 p.m. on Friday, Sept. 11 and from 10 a.m. until time of services on Saturday at the funeral home. Services will be live-streamed on Woodlawn's Facebook page for those who cannot attend.

A second memorial service will be held at the Indiana Law Enforcement Academy in Plainfield, Indiana, at 11a.m. on Saturday, Oct. 3, 2020.

Memorial contributions may be made to the Indiana Concerns of Police Survivors chapter at Indiana C.O.P.S., P.O. Box 2222, Indianapolis, IN 46206.

Anna Mullins

Anna Jewell Muse Mullins, 88, died Saturday, Aug. 22, 2020, at Baptist Hospital East in Louisville.

She was born May 17, 1932, at Muses Mills, Kentucky, to William Henry Muse and Lilly Mae Clark Muse. She grew up in Muses Mills and attended school there. She married Everett Mullins in 1946 and they had two sons. Early in life she worked at Gayle Creamer's store in Muses Mills, then at U. S. Shoe and Randall's in Flemingsburg, Kentucky and Johnny Sorrell's store in Poplar Plains, Kentucky. She did housekeeping for the Conway family in Hillsboro, Kentucky, and then worked for Ken's Pic Pac and Sorrell's Restaurant, both in Flemingsburg. Later in life she owned rental property in Bedford, Kentucky.

She was also a farmer and a farmer's wife, working alongside her husband milking cows and setting tobacco and rising before daylight to make pies, cakes and meals for the farm hands. She cared for her husband after he became a double amputee and began dialysis and kept her mother in her home for several years while helping run the farm.

She is survived by a son, Mark Lane Mullins of Bedford; three grandchildren, two great grandchildren, a niece and nephew and other family members.

She was preceded in death by her parents; her husband of 57 years; a son, Rocky Mullins; a brother, Stanley Colgan; a sister, Henrietta Hinton; and other family members.

Funeral services will be at 3 p.m. Friday, Aug. 28, at Boone-Nickell Funeral Home in Flemingsburg with burial in Fleming County Cemetery in Flemingsburg. Visitation is from 1 p.m. until time of services Friday at the funeral home.

Due to COVID-19 state mandates, those in attendance must wear face masks.

Sara Jean Tyler Wilson, 60, of Madison, Indiana, died Thursday, July 23, 2020, at her home in Madison.

She was born June 1, 1960, in Jefferson County, Indiana, to Herschel Ingle and Marjorie Jean Brown Tyler. A 1978 graduate of Madison Consolidated High School, she was a life-long resident of Jefferson County, was of the Christian faith and enjoyed being outdoors, collecting antiques, knitting, tending to her animals and going to auctions and sales. She began working at the U.S. Shoe Corporation in Madison at the age of 17 and served as a foreman for many years. She was employed with Reliance Electric in Madison for 14 years and had worked as a site manager since 2013. She donated life by the gift of blood at numerous American Red Cross blood drives, receiving her one gallon pin.

Survivors include her companion of 25 years, Chris Hartman, of Madison; her son, Robert William "Will" Konkle of Madison; her stepson, Justin Hartman of Madison; her sisters, Linda Lou Wentworth of Pensacola, Florida and Cathy Sue Thorpe and Julie Lacy, both of Madison; her brother, Kenneth Ray Washer of Madison; and several aunts, uncles, nieces, nephews and cousins.

She was preceded in death by her parents; her grandparents, Elmer and Lucy Brown, Louis Clyde and Mary Olive Tyler; a niece and nephew; and other family.

A celebration of life will be held from 2 p.m. to 5 p.m. on Saturday, Aug. 29, at the Madison VFW Post No. 1969 in Madison.

Memorial contributions may be made to the Madison Riverfront Development Project or the Elbert Lynn Bear Endowment. Cards are available at the Morgan & Nay Funeral Centres of Madison and Hanover. Online condolences, www.morgan-nay.com.

Dennis Stangle

Dennis Keith Stangle, 64, of Carrollton, Kentucky, died Saturday, Aug. 22, 2020, at the Carroll County Memorial Hospital in Carrollton.

He was born on Oct. 9, 1955, in Carrollton, to Jerry Glenn Stangle and Nancy Ruth Stangle. He spent most of his life as a truck driver and was a member of the former Hopewell Methodist Church in Milton, Kentucky.

Survivors include a son, Steve Stangle of Bedford, Kentucky; a brother, Kenny Stangle of Bedford; and one grandson.

A private viewing for family and close personal friends only will be at 11 a.m. on Thursday, Aug. 27, at the Tandy-Eckler-Riley Funeral Home in Carrollton. In accordance with his wishes, no formal public services will be held.

Due to COVID-19 restrictions and reopening requirements, funeral home occupancy will be limited to 50% of normal capacity. Social distancing requirements will be followed and attendees are asked to wear a face covering.

conditions, but the majority would prefer students back in the building," Stark said.

Milton Elementary Principal Amy Schinn, said "more [staff] would say yes than not" at her school.

In the end board member McKenzie Harper made a motion to return on Sept. 28 that was unanimously approved by the board.

Fall sports will be another area to watch, as the Kentucky High School Athletic Association voted recently to allow athletics to continue play this semester, but has yet to announce guidelines on spectators or concession stands, Wilcoxson said.

In other business, the board on Tuesday adopted tax rates for 2021 with no increase for this year due to the impact of the pandemic.

District finance officer Phillip Harmon said the zero rate increase was possible in part due to "huge savings" from last year that gave the district a cushion going forward.

According to a presentation from district financial consultant Rebecca Moore, Trimble started Fiscal Year 2021 with a balance of about $2,451,000 and an estimated carry-over of $21,000. That balance is $400,000 higher than what it was this time last year and $803,000 more than two years ago.

"This is the first time in the six years that I've been presenting this report, that I can come here and give you options," Moore said.

The school board on Tuesday set property tax rates the same as 2019-2020, which equates to 0.775 cents per $100,000 of assessed value on real property, 0.554 cents on motor vehicles and 3% on utilities.

The rates will still produce more revenue that this year because the total certified value of property subject to school taxes increased from $640,998,185 to $672,715,751, an increase of 4.71%.

"It's a very unique opportunity that we have right now," board member Suzy Sachleben-Turner said of the rate freeze.

2009 to 2011. We played all over the Midwest, even as far south as Florida.

"We got so tight it was ridiculous. Everybody was writing songs. It was an amazing thing to be part of. But nothing lasts forever, that's just how it goes.

"So after awhile, me, J.T. and Erik said let's get things going again, but it should be different, not Same Soul. We needed a guitarist to round out the band, and Tom Steveley said he'd give it a try. Wow, did he ever give it a try! His guitar playing took us in a whole other direction, and The Wheel was born. We played around the area for a few years and it was a lot of fun.

"But I was pushing 30 years old and itching for a change. I moved up to Columbus, Ohio, for a couple years and worked in a bar. Came back to Madison, owned some bars. Needless to say, I got all that bar ownership stuff out of my system.

"Getting back to my musical journey though, in 2015 Brent Thacker called me and asked if I'd play at the Regatta. I didn't have a band or anything, but I said sure, why not? I pulled in Chris Watson on drums, Woody Woodmansee on keyboards, Tom Steveley on guitar and Erik Brunner on bass. We called the band Chris Jesse and the Instigators, and it was one of my favorite shows ever.

"Then in 2016 I put out an album called 'Chris Jesse and the 9 Mile Reach' with Joe DeVito, Tom Steveley, J.T. Glasgow and Greg Martin. We did a release party at the Ohio Theater and we got a couple of gigs after that, but everybody needed a break I guess.

"I'm still kinda on break, now that I think about it. I've played a few shows with Derick Howard, and I've been working on my lead guitar licks. I think after all these years and all the different bands, I'm still kinda searching for my best musical style. And I think something is going to take off soon, I can feel it.

"I've been blessed to play with the people I have, and I have a lot of good memories."

HOT TIP OF THE WEEK

This weekend is a perfect example of the richness of talent that calls Madison their musical home. Joe Perkinson (Trimble County), Tracy Thompson (North Vernon), Rusty Bladen (Madison), Robby Cox (La Grange), Doug Dillman (Shelbyville, Indiana), Greg & Kriss Ziesemer (Madison), and Brice Hall (Louisville). All these great musicians come here on a regular basis because of the many opportunities to play and because the local music fan base is so passionate and appreciative. It's just special here, any one of them will tell you. Every single one of the shows on the calendar are well-ventilated outdoor events, so get out there this weekend and support live music!

Early goals doom Madison in loss at Scottsburg

BY DAVID CAMPBELL

Scottsburg gained a measure of revenge over Madison with a 2-0 victory in boys soccer on Tuesday in Scottsburg.

The Warriors lost only two matches last season, both of them to Madison, including a double-overtime loss in the 2019 sectional championship game.

With eight seniors back from that team, Scottsburg was determined to get some payback and achieved part of that goal with the win on Tuesday. The rematch will come in the sectional tournament in October.

"We all knew Scottsburg would come out fired up but I thought we played extremely, extremely well in the second half," Madison coach Kyle Bipes said. "We dominated the second half. We had a couple of opportunities that we probably should have scored on, but this is only our second game of the year and we still have a lot to learn."

Scottsburg (2-1) scored both of its goals in the first 19 minutes of the game, part of a frantic beginning as the Warriors set the tone from the start. The first goal, by Jackson Campbell in the eighth minute, was a well-placed shot on the right side that just did squeeze between goalie Zach Forner's outstretched hands and the post.

The Warriors' second goal was a thing of beauty. Campbell placed a corner kick to the far side of the goal and Noah Smith headed in the shot to the opposite post for a 2-0 lead.

Madison goalie Zach Forner (in black) collects the ball in traffic during a corner kick in the Cubs' soccer game at Scottsburg on Tuesday.

Down 2-0, Madison was dealt an even bigger loss when senior Will Heitz exited the game with a quadriceps injury shortly after the second goal. Without Heitz, who scored 10 goals to go with 13 assists a year ago, out the Cub offense ground to a halt.

"He might be one of the better players within 60, 80 miles of Madison. He does it all," Bipes said. "He's had a quad issue all year and the only thing that will heal it is rest and the kid is too hard-headed to rest. With him hurt, we had a lot of freshman play some minutes that they're not typically used to playing but they did well."

Madison (1-1) managed only three shots in the first half but dominated much of the second and, if not for the play of Scottsburg goalie Jameson Hale, very well could have won the game.

Of the five attempts on goal that Madison took in the second half, three were quality shots that Hale was able to turn away. The best of the three came with just over 10 minutes to play when the Cubs' Adriano Martinez fired a shot to the right post only to see Hale make a diving save to knock it away at the last moment.

"Jameson is tough. He's a brick wall back there," Bipes said. "But those are opportunities where we need to find corners and not find him. That's where we need to work on low and away and not high and right at him. That only comes with repetition."

Hale finished the game with seven saves while Forner stopped six for Madison. Scottsburg ended up with a 15-11 advantage in shots, including 8-6 on goal, but the Warriors attempted only eight shots over the final 50 minutes as Madison's defense clamped down.

Junior defender Jack Kelsey was the Cubs' best player in the second half and nearly scored on a free kick from midfield.

Both teams had four corner kick opportunities and Scottsburg was whistled for 11 fouls to nine by the Cubs. However, three of Madison's fouls came with yellow cards attached.

Madison returns to action tonight when it hosts Jennings County for senior night. The Cubs then travel to Franklin on Saturday.

CROSS COUNTRY ROUNDUP

Alderman, Furnish pick up wins at Switzerland invitational

BY COURIER STAFF REPORT

Shawe's Calli Alderman and Switzerland County's Nathan Furnish each picked up wins in the Switzerland County Cross Country Invitational on Tuesday.

Alderman had little trouble notching her first win of the season. The lone runner for the Shawe girls, Alderman crossed the line in 24:27, far ahead of runner-up Kirsten Geary of Southwestern, who ran 25:10. Switzerland County's Gracie White was third in 26:04.

Furnish, a sophomore, crossed the line in 19:44 to win the boys race.

No school fielded a complete girls team and only nine runners competed in the event. Abby Fulton was fifth for Southwestern in 31:42, Lilly Douglas was sixth in 34:35, and Aleea Crumley ran seventh in 34:36.

"The boys teams had seven runners unavailable due to circumstances out of our control." Southwestern coach Zac Nussbaum said. "The boys and girls that did run used this race to get better. It was an extremely hot evening, so times were not great, but tonight was about getting better."

Alisha Detmer ran fourth for Switzerland County in 26:42, Bethany Dashzeveg was eighth in 39:33 and Katera Allen was ninth in 39:34.

Rising Sun won the boys race with 19 points while Shawe was second with 39. No other school fielded a complete team.

Louis Liu led Shawe with a sixth-place finish in 21:46, Sam Fewell was 19th in 22:33, Wyatt Lundergan ran 13th in 23:18, Noah Guetig was 17th in 28:36, and Joey Pennington was 19th in 39:10.

Colton Cloud led Southwestern with a fourth-place finish in 21:01, Jamison Lewis was seventh in 21:58 and Ashton Crumley was 16th in 27:13.

Dylan Sullivan placed eighth for Switzerland, Avery Osowski was ninth 22:24, and Myles Covington was 15th in 25:46.

Southwestern returns to action on Saturday when it competes in the Salem Invitational. Shawe's next meet is on Thursday, Sept. 3 at Crothersville. Switzerland County does not run again until Saturday, Sept. 5 when it competes in the Columbus North Invitational along with Southwestern.

MADISON RUNS AT SILVER CREEK

Madison's cross country teams braved the heat to compete in their second hokum karem race in three days, this one at Silver Creek on Tuesday.

The Madison girls placed third, one point behind Charlestown with Floyd Central winning the event. The boys finished fifth, just four points out of third place in what was their highest finish in the event since 2013.

Hokum karem races are relay events that pair teammates together and combine their times to determine placing. Brett Cahall and Cadence Traylor teamed up to run fourth for the Madison girls while Isabel Wilber and Ava Spencer were eighth and Cameran Cahall and Chloe Ferris were 16th.

"The girls really worked hard and were so close to the runner up position as a team. I am just amazed with the effort from each of these girls and the competitive nature they display on the course," Madison girls coach Josh Wilber said. "Ava and Cameran really ran well tonight and showed they will be a force as the season goes on."

Luke McCarty and Leighton Wielgoszinski combined to finish 17th to lead the boys, Logan Ferris and Noah Burkhardt were 19th, Trevor Hoffman and Liam Murphy placed 20th and Lane Brawner and Lucas Owen were 30th.

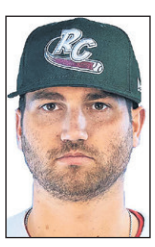
Madison will take the next week and a half off before returning to action on Saturday, Sept. 5 at the Columbus North Invitational.

Thurston picked up by 1st place Winnipeg

BY COURIER STAFF REPORT

Former Madison baseball standout Ryan Thurston is making some moves in the American Association.

The left-hander was released by the Fargo-Moorhead RedHawks but then immediately signed by the Winnipeg Goldeneyes, going from the last place team to the first place squad.



Ryan Thurston

The move was purely transactional. Because of the COVID-19 pandemic, the American Association limited its season to just six teams and players on teams not invited were free to play with other franchises in the league. Thurston, who played for the Gary SouthShore RailCats last season, remains under contract with Gary but had been selected by Fargo in a temporary dispersal draft.

Because Fargo is mired in last place and unlikely to make the playoffs, the club has began making moves to solidify its roster for next season. Since Thurston will return to Gary next year, he does not figure in the team's plans.

Thurston debuted with his new team against his old team on Tuesday, tossing two scoreless innings in Winnipeg's 5-1 loss at Fargo-Moorhead with two strikeouts and no walks.

Overall on the season, Thurston is 1-2 with a 5.14 ERA. In 21 innings pitched, he has allowed 12 earned runs on 25 hits with 31 strikeouts and eight walks. He has not allowed a run in six consecutive outings.

Winnipeg marks the fourth different American Association team Thurston has pitched for in the past two years. He started last season with the Chicago Dogs before moving onto Gary SouthShore.

Winnipeg and Fargo are scheduled to play the next five games against each other in Fargo.

SOCCER ROUNDUP

Shawe unable to hold off powerful Knights

BY COURIER STAFF REPORT

Shawe Memorial soccer put up a fight but couldn't stay with a strong South Dearborn squad, falling 5-0 in the team's home opener on Monday.

The Hilltoppers got off eight shots and held Dearborn scoreless over the game's first 15 minutes before the Knights broke through. South Dearborn scored two goals in the first half and added three more in the second for the final margin.

"I told them at halftime that we had battled back in our last two games from deficits and were able to win one and tie another. I was really hoping we could get a goal to get us going," Shawe coach Cameron Willoughby said. "We struggled to play connected between our defense and our offense. We managed to get into the attacking third with some regularity, but struggled to find the final pass to really open up the defense and the few times we did we just didn't shoot well."

Shawe finished the game with 16 shots on goal to go with four corner kicks. Goalkeepers Hunter Kennett and Wyatt Nichter combined for 26 saves.

David Campbell

Shawe's Jacob Hertz (right) fires a shot past South Dearborn's Kevin Brown during Monday's soccer match in Madison.

"On defense our work continues. We are not recognizing the dangerous players quickly enough and sometimes are still tracking the ball too closely and not tracking the runs. It's important to know where the ball is, but getting to a position where we can impact the next pass is where we are struggling a little bit," Willoughby said. "We will get a chance to watch some film and make some adjustments at practice and be ready to go again Wednesday for our game with South Ripley."

Shawe, now 2-2 on the season, opened Ohio River Valley Conference play at home against South Ripley on Wednesday. The Hilltoppers return to action on Tuesday when they travel to Southwestern.

REBELS FALL AT SOUTH RIPLEY

Southwestern's boys soccer team dropped a 5-1 decision at South Ripley on Monday.

South Ripley attacked the Rebels from the start, ripping off 20 shots in the first half leading directly to four goals. Southwestern settled down in the second half and played the Raiders even but the damage had been done.

"Our tone was not in attack mode that first half which showed with only having four shots of our own," Southwestern coach Seth Shields said. "We adjusted at halftime and played much better limiting their shots in the second half to eight."

Southwestern picked up its goal when Alex Webster dribbled through traffic three-fourths of way down the field and beat the Ripley keeper one-one-one.

Overall, South Ripley outshot Southwestern 28-15, including 12-6 on goal. Brady McLain had seven saves in goal for the Rebels.

Zach Gentile had three goals for South Ripley.

"Not to take anything away from South Ripley, but we had a difficult time not only mentally but also skill wise due to not having four of our starters available for the game," Shields said. "We are a young team, and this was another learning experience to build for the next game."

Southwestern, now 0-1-1 overall and 0-1 in the Ohio River Valley Conference, hosted Milan on Wednesday and travels to Class A No. 4 Jac-Cen-Del on Friday.

Lady Cubs shut out Ripley

Madison's girls soccer team picked up a 3-0 win over South Ripley Monday on the road.

The Cubs, now 2-1 on the season, return to action on Tuesday, Sept. 1 when they host Columbus East.

NO. 4 JCD ROLLS OVER SWITZERLAND

Class A No. 4 Jac-Cen-Del rolled to a 5-0 win over Switzerland County in the Pacers' boys soccer season opener on Monday.

Switzerland, now 0-1 overall and in the Ohio River Valley Conference, travels to Rising Sun today.

GOLF ROUNDUP

Eder's 37 leads Madison to win over county rivals

BY COURIER STAFF REPORT

Madison's girls golf team dropped below 200 to pick up a quad meet win at Sunrise Golf Course on Monday.

Led by low-medalist Keara Eder's one-over 37, the Cubs shot a 196 to best Southwestern (217) and Shawe (236) in a matchup of all three county schools. Jac-Cen-Del also participated but did field a complete team.

"It was a nice match out there today with all of the local teams. It was kind of fun having that dynamic out there today," Madison coach Jake Shockley said. "Keara had another really solid round, and it's getting to the point where I'm running out of things to say about her game. She just keeps getting more and more consistent. I hope she keeps it up. Having a player like her at the top of the lineup definitely makes things easier."

Jenna Imel fired a 43 for Madison while Grace Bronkella shot a 54 and Gracie Gasaway rounded out the scoring with a 62. Ally Skirvin carded a non-scoring 64.

"Jenna had it rocking today, too. We made an adjustment in practice last week, and it really seems to be helping her ball-striking into the greens," Shockley said. "She had it going like that on Saturday before we got rained out, so I'm hoping the low to mid-40s is her home from here on out. She'll be the first to tell you she can do it, too."

Freshman Kira Wells led Shawe with a 50, the highest score of her young career. Yolett Perez added a 60, Bailey Kilgore a 62 and Gia Craig a 64 for the Hilltoppers.

"I think the nerves of being in the No. 1 spot got to Kira today. That's normal and I think as she gets used to playing there we'll see her confidence level rise. She was a little down on herself but she is much better than tonight's score would indicate," Shawe coach David Hertz said. "Yolett keeps improving off the tee and fairways and just needs to tune in her game around the green. And Bailey and Gia are both just a couple a shots away from putting up a low score. The great thing is we're young and we have a lot of good rounds ahead of us."

No individual information was available for Southwestern.

On Tuesday, Southwestern picked up a dual-meet win over Clarksville at Butler Falls Golf Course in Hanover.

The Rebels won the match with a 196 score while Clarksville fired a 213. No individual information on Southwestern was available.

Clarksville's Karena Knight shot a 43 to share medalist honors. Sara Vaughn had a 53 for the Generals, Summer Neal shot a 58 and Emily Kaiser a 59.

Southwestern returns to action on Wednesday, Sept. 2 when it competes at Switzerland County. Shawe competed at Scottsburg on Wednesday and returns to action on Monday, Sept. 1 at Henryville.

Madison travels to Columbus East today and competes in the New Albany Invitational on Saturday.

RAIDERS SWEPT BY OWEN COUNTY

Trimble County's golf teams were swept by Owen County at Cardinal Hills Golf Course on Monday in Bedford, Kentucky.

The girls lost 164-212. Owen's Lilly Baumann was the low-medalist with a two-under 34.

The boys fell by a much closer 184-189 gap. The Rebels' Cade Maddox and Lake Bastin shared medalist honors with 43s.

Trimble's boys hosted Gallatin County in a match at Cardinal Hills on Wednesday. Both squads host Henry County today.

VOLLEYBALL ROUNDUP

Pacers pick up 5-set win over Dearborn

BY COURIER STAFF REPORT

Switzerland County outlasted South Dearborn in five sets to pick up a win in volleyball Monday in Vevay.

After losing the first set 28-26, Switzerland rebounded to take the next two 25-20 and 25-23. The Knights then fought back to win game four 25-21 to force a fifth set.

In the tiebreaker, Switzerland County pulled out the 17-15 overtime win to finally seize the victory.

On Tuesday, Switzerland was on the wrong end of a 3-0 sweep by South Ripley in Versailles.

The Pacers lost 25-17, 25-14 and 25-20.

Switzerland, now 3-5 overall on the season and 0-1 in the Ohio River Valley Conference, returns to action on Monday at home against Milan.

REBELS DROP 5-SETTER AT AUSTIN

Southwestern's volleyball team lost a hard-fought five-set match at Austin on Tuesday.

The two teams traded wins throughout before the host Eagles took the tiebreaker to claim the victory, 15-25, 28-26, 23-25, 25-19, 15-9.

"The first set we played really well both offensively and defensively. During the second set we gave away some momentum and honestly never got it back," Southwestern coach Chris Johnson said. "We were out-hustled and out-communicated on the court. Austin had tremendous energy throughout the match. (Parker) Mefford and (Ashleigh) Ream did an excellent job on defense and (Autumn) Harmon did well hitting the ball tonight."

Harmon had 18 kills on 42-for-50 hitting for Southwestern, Elle Ford had 10 kills on 27-for-33 hitting with three blocks and went 10-for-12 serving with three aces, Kylie Eccles had seven kills on 24-for-29 hitting and went 20-for-22 serving with five aces, Halee Smith had seven kills on 27-for-31 hitting, Mefford was 18-for-20 serving with three aces and added 14 digs, and Ream had three kills, one ace and 21 digs.

Southwestern, now 4-2 on the season, hosts Crothersville tonight for senior night.

SHAWE SWEPT IN TWO MATCHES

Shawe's volleyball team dropped three-set losses on consecutive nights earlier this week.

The Hilltoppers were on the wrong end of a 25-8, 25-12, 25-15 loss at South Decatur on Monday and then fell 25-21, 25-22, 25-10 at Jac-Cen-Del in their Ohio River Valley Conference opener on Tuesday.

Against South Decatur, Emmaline Leatherman was 7-for-7 serving with four kills, two blocks and eight digs to lead the Hilltoppers. Taylor Barron was 7-for-8 serving with a block, Abigail Hill was 5-for-5 serving and Autumn Lathrem had five digs.

"Varsity started the night off slow in serve receive and it took the air out of the team really quick. The errors really took a toll on the girls and it carried over into their entire play," Shawe coach Dennis Kilgore said. "They had glimmers of light but South Decatur served at whoever they wanted and it really hurts us, we were never able to get on a roll and score several points in a row."

Against Jac-Cen-Del, Phoebe Grote was 15-for-16 serving, Lina Leatherman had six kills, Emmaline Leatherman had five kills and went 8-for-9 serving, Lathrem was 8-for-9 serving and Abigail Hill had 11 assists.

"(We) continued to struggle with getting a ball to Abigail Hill to set off a serve. Abigail didn't receive many balls to her area and therefore the offense never got going either," Kilgore said. "Even with our mistakes we had our opportunities to sneak a win but just weren't able to get over the hump. We have to learn it's OK to make mistakes but they have to put it away and keep playing and being positive."

Shawe, now 2-2 overall and 0-1 in the ORVC, travels to South Central on Friday.

COURIER AREA SPORTS SHORTS

BY COURIER STAFF REPORT

• Southwestern's junior varsity volleyball team won the Ohio River Valley Conference Tournament on Saturday at Rising Sun.

• Shawe's jayvee volleyball team defeated Medora 17-25, 25-17, 15-12 at home on Friday.

The Hilltoppers played in the Ohio River Valley Conference Tournament on Saturday where they lost their lone match. On Monday, Shawe lost 25-21, 25-23 at South Decatur and on Tuesday, the Hilltoppers lost 25-9, 25-11 at Jac-Cen-Del.

The Hilltoppers, now 1-3 on the season, travel to South Central on Friday.

• Madison Junior High's volleyball teams both swept Switzerland County in straight sets on Monday. The eighth grade was led by Josie Chapin and Maya Gordon.

• Southwestern's jayvee tennis team picked up a pair of wins in action at home against Christian Academy of Indiana on Monday.

Braylon Renschler defeated Layton Pavlek 8-0 while Keegan Rogers beat Pavlek 6-4. Kenny Young lost 6-0 to Brady Dunn.

Southwestern hosted New Washington on Wednesday. The Rebels travel to Jennings County next Tuesday.

• The City of Madison Parks Department is now offering co-ed youth flag football for students in kindergarten through Eighth grade. The football season will tentatively start after Labor Day and will run six weeks.

Registration is open now and will close on Sept. 4. The cost to register is $25 per participant. Participants can register online at http://madison-in.gov/208/Recreational-Activities, however, payments must be made at the Parks Office located inside City Hall at 101 W. Main St. Madison, IN 47250. Participants can also pick up a registration form at the Parks Office.

For any questions, please contact the parks department at 812-265-8308.

• King's Daughters' Health will host the 22nd annual Run the Falls 5K at Clifty Falls State Park on Saturday, Sept. 26.

Because of the COVID-19 pandemic, several safety changes will be in effect for this year's race, including registration pickup being held at the North Shelter and enhanced chip timing allowing runners and walkers to start with appropriate spacing. The time will not be recorded until the runner crosses the finish line.

Early bird registration is available until Sept. 14 and costs 20 with a shirt or $15 without. Cost is $20 without a shirt after that date.

For more information, call Dave Ommen at 812-801-0619 or Heather Foy at 812-801-0175.

Hard truths on the hard drive

ANNIE **LANE**
DEAR ANNIE

Dear Annie: I've been with "Robby" for three years. I just moved in with him a few weeks ago, and I've been discovering some unpleasant surprises while using his computer. First, I found some racy photos saved on his hard drive. Then, I saw in his browser history that he'd been on dating sites and saw that he'd been emailing with people from dating websites, too. I asked him about it. He denies having done any of that and says he doesn't know how that stuff got on his computer and email. But the proof is right there. I don't know what to do. I don't trust him, but I love him so much. Please help me. — So Confused and Hurt

Dear So Confused: Is it possible someone has been logging onto his computer and planting incriminating photos and emails? Theoretically, sure. But it's incredibly unlikely. And it's no wonder you're confused; Robby has done nothing to help you understand. Unless and until he can tell you the truth and work to make it right by you, start packing those boxes back up.

Dear Annie: I've been dating my boyfriend for two years now. We each have children from prior marriages. We have a good relationship, but he is such a momma's boy — which is OK, to a certain point, but in his case, it seems excessive. He is in his 40s and still lives with his mother. He's said he will not leave his mother's house because she has some health problems and needs him. Yet, she manages to work a full-time, 40-hour-a-week job.

I feel as if I'm always competing with his mother. Just one small example: Let's say he has a stain on his shirt. I'll say something like, "Shout works well for that." He'll say, "Well, my mom said Spray 'n Wash works better, so I'll just get that."

I feel like we will never be able to come together as one family, with my kids and his kids, because he won't leave his mom's. He doesn't come over to my place too often because he's busy helping her. It's not like I live hours away from him. It's only a 30-minute drive.

Several times now, I've asked him about moving in with me, and all he says is "I'm not moving right now." What should I do: Stick it out or leave him and his mama? — Girlfriend to a Momma's Boy

Dear Girlfriend: It's noble of your boyfriend to care so much for his mother. It's understandable of you to be frustrated that he's less available to you. Neither of you is wrong. But you might be wrong for each other. He's made it abundantly clear that caring for his mom is at the top of his list of priorities. Even if you were somehow able to talk him out of that, he'd resent you for it. So, if the situation isn't working for you as it is now, it might never work for you.

"Ask Me Anything: A Year of Advice From Dear Annie" is out now! Ditch the two-timer

ANNIE **LANE**
DEAR ANNIE

Dear Annie: I met this guy, "Bill," through work. We hit it off. He'd told me he was single. Later, I found out through a mutual colleague that Bill had a girlfriend, "Julie," a divorced lady with two kids, but he wouldn't be able to marry her because his family wouldn't approve their marriage. So, I confronted him. He stated that she was not his girlfriend and that our colleague made the whole story up. Bill and I started dating, and, after a while, I found out that he was still seeing this lady and hanging out with her. I confronted him again, and he stated that it's not going anywhere with her, and she knows that, too. I do not believe that. I think, deep inside, she thinks she is dating a loyal guy and is waiting for him to propose any minute.

I realized that Bill is just using Julie to kill time to have someone to hang out with because he doesn't want to be alone. But he doesn't want to commit to either one of us. So, when she is not available, I am available, and vice versa. I feel sorry for her because she has no clue what is happening. She is wasting her time on someone who won't commit to her. I know her name, her Facebook account, where she lives and lots more. I want to tell her the truth about Bill, but Bill will know that it was me who told her the truth. I'm scared because I don't know what his reaction will be, and he knows where I live. Should I tell her the truth about this man? — Bad Romance

Dear Bad Romance: I commend you for wanting to help this poor woman. But it sounds as though you'd be putting yourself at risk. Focus on making a clean break from busy Bill, and trust that the other woman will see the light in time.

If you're afraid for your safety due to possible retaliation from him, call the National Domestic Violence Hotline at 1-800-799-7233 for guidance.

Dear Annie: My husband and I are in our early 70s. He is not all that healthy: heart disease, diabetes and asthma. I am pretty healthy but a bit overweight.

We had to have our 18-year-old grandson move in with us one year ago. The move was due to horrid family issues with his mom. (That could fill a whole other letter!)

The issue is that he really would like to make frequent trips back to his hometown, which is 50 miles away, to visit his siblings and friends. We've been pretty limiting in letting him go, due to the coronavirus.

We let him go for two weekends, and he just did not seem to get it. He was lax in his use of PPE when visiting. He doesn't think it's a big deal. I do not know what to do. We want him to keep up with his friends and siblings but are terrified he will bring home the virus.

He is very involved on FaceTime and social media, but it is just not the same as hanging out, we know. We realize how hard it has been to be so far away from his siblings and friends. But we do not want to die! I really do not know how to best handle this. — Nervous Grandparents

Dear Nervous Grandparents: Not wanting to die is a perfectly reasonable wish. Stand your ground with your grandson: He can wear PPE and practice social distancing on these trips, or he can stay home. The choice is his. We're all feeling isolated and tired of living this way. But the pandemic isn't over just because we're over it.

NOTICE OF INTENT TO SELL BONDS
$4,425,000
GENERAL OBLIGATION BONDS OF 2020
MADISON CONSOLIDATED SCHOOLS

Upon not less than twenty four (24) hours' notice given by the undersigned Secretary prior to the ninetieth day after this notice is first published, Madison Consolidated Schools (the "School Corporation") will receive and consider bids for the purchase of the following described Bonds. Any person interested in submitting a bid for the Bonds may furnish in writing to the School Corporation c/o Baker Tilly Municipal Advisors, LLC ("Baker Tilly"), 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240; (317) 465 1500 or by e-mail to bids@bakertilly.com, on or before 11:00 a.m. (Indianapolis Time) September 4, 2020, the person's name, address, and telephone number. Interested persons may also furnish an e mail address. The undersigned Secretary will notify (or cause to be notified) each person so registered of the date and time bids will be received not less than twenty four (24) hours before the date and time of sale. The notification shall be made by telephone at the number furnished by such person and also by e mail, if an e mail address has been received.

Notice is hereby given that electronic proposals will be received via PARITY®, in the manner described below, until the time and date specified in the Notice provided at least 24 hours prior to the sale, which is expected to be 11:00 a.m. (Indianapolis Time), on September 9, 2020. Bids may be submitted electronically via PARITY® pursuant to this Notice until the time specified in this Notice, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY® conflict with this Notice, the terms of this Notice shall control. For further information about PARITY®, potential bidders may contact the School Corporation's advisor, Baker Tilly at (317) 465 1500 or PARITY® at (212) 849 5021.

At the time designated for the sale, the School Corporation will receive at the offices of Baker Tilly, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana, and consider bids for the purchase of the following described Bonds:

Madison Consolidated Schools General Obligation Bonds of 2020 (the "Bonds"), an Indiana political subdivision, in the principal amount of $4,425,000; Fully registered form; Denomination $5,000 and integral multiples thereof (or in such other denomination as requested by the winning bidder); Originally dated the date of delivery of the Bonds; Bearing interest at a rate or rates to be determined by bidding, payable on July 15, 2021, and semiannually thereafter; These Bonds will be initially issued in a Book Entry System (as defined in the Bond Resolution (as hereinafter defined)) unless otherwise requested by the winning bidder. Interest payable by check mailed one business day prior to the interest payment date or by wire transfer to depositories on the interest payment date to the person or depository in whose name each Bond is registered with U.S. Bank National Association on the fifteenth day immediately preceding such interest payment date; Maturing or subject to mandatory redemption on January 15 and July 15 beginning no earlier than July 15, 2021 through no later than January 15, 2029 on the dates and amounts as provided by the School Corporation prior to the sale.

As an alternative to PARITY®, bidders may submit a sealed bid or e-mail the bid electronically to the School Corporation's municipal advisor at the address described above until the time and on the date identified in the notice given by, or on behalf of the School Corporation, twenty four hours prior to the sale of the Bonds. Upon completion of the bidding procedures described herein, the results of the sealed, non electronic bids received shall be compared to the electronic bids received by the School Corporation.

If a potential bidder has questions related to the School Corporation, the financing or submission of bids, questions should be submitted by email to the addresses above no later than 11:00 a.m. (Indianapolis Time) on September 4, 2020. To the best of the School Corporation's ability, all questions will be addressed by or on behalf of the School Corporation and sent to potential bidders, including any bidders requesting 24 hours' notice of sale, no later than 5:00 p.m. (Indianapolis Time) on September 4, 2020. Additionally, upon request, the written responses will be emailed to any other interested bidder. Bidders should review this notice as well as the Preliminary Official Statement and submit any questions in advance of this deadline to submit questions.

The Bonds are not subject to optional redemption prior to maturity.

A bid may designate that a given maturity or maturities shall constitute a term bond, and the semi annual amounts set forth in the schedule provided prior to the sale shall constitute the mandatory sinking fund redemption requirements for such term bond or bonds. For purposes of computing net interest cost, the mandatory redemption amounts shall be treated as maturing on the dates set forth in the schedule provided prior to the sale.

In the case of any redemption, 30 days' notice will be given by mail to the registered owners of the Bonds to be redeemed, and accrued interest will be paid to the date fixed for redemption. Interest on the Bonds so called for redemption will cease on the redemption date fixed in said notice if funds are available at the place of redemption to redeem the Bonds so called on the date fixed in said notice, or thereafter when presented for payment.

The Bonds have been designated as qualified tax exempt obligations for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the "Code").

Each bid must be for all of the Bonds and must state the rate of interest which each maturity of the Bonds is to bear, stated in multiples of 1/8th or 1/100th of 1%. The maximum interest rate of the Bonds shall not exceed 4.00% per annum. All Bonds maturing on the same date shall bear the same rate. No bid for less than 99.50% of the face value of the Bonds will be considered. The Bonds will be awarded to the lowest responsible and responsive bidder who has submitted a bid in accordance herewith (the "Purchaser"). The Purchaser will be the one who offers the lowest net interest cost to the School Corporation, to be determined by computing the total interest on all of the Bonds to their maturities based upon the schedule provided by the School Corporation prior to the sale and deducting therefrom the premium bid, if any, and adding thereto the discount bid, if any. No conditional bids will be considered. The right is reserved to reject any and all bids. If an acceptable bid is not received for the Bonds on the date of sale hereinbefore fixed, the sale may be continued from day to day thereafter without further advertisement, during which time no bid which provides a higher net interest cost to the Corporation than the best bid received at the time of the advertised sale will be considered.

A good faith deposit ("Deposit") in the form of cash, wire transfer, or certified or cashier's check in the amount of $44,250 payable to the order of the School Corporation is required to be submitted by the Purchaser not later than 3:30 p.m. (EST) on the next business day following the award. If such Deposit is not received by that time, the School Corporation may reject the bid. No interest on the Deposit will accrue to the Purchaser. The Deposit will be applied to the purchase price of the Bonds. In the event the Purchaser fails to honor its accepted bid, the Deposit will be retained by the School Corporation as liquidated damages.

The Purchaser shall make payment for such Bonds and accept delivery thereof within five days after being notified that the Bonds are ready for delivery, at such place in the City of Indianapolis, Indiana, as the Purchaser may designate, or at such other location mutually agreed to by the School Corporation and the Purchaser. The Bonds will be ready for delivery within 45 days after the date of sale. If the School Corporation fails to have the Bonds ready for delivery prior to the close of banking hours on the forty fifth day after the date of

sale, the Purchaser may secure the release of the bid upon request in writing, filed with the School Corporation. Unless otherwise requested by the winning bidder, the Purchaser is expected to apply to a securities depository registered with the Securities and Exchange Commission ("SEC") to make such Bonds depository eligible. If the Bonds are reoffered, at the time of delivery of the Bonds to the Purchaser, the Purchaser will be required to certify to the School Corporation the initial reoffering price to the public of a substantial amount of each maturity of the Bonds.

All provisions of the bid form and Preliminary Official Statement (as hereinafter defined) are incorporated herein. As set forth in the Preliminary Official Statement, the Purchaser agrees by submission of their bid to assist the School Corporation in establishing the issue price of the Bonds under the terms outlined therein and shall execute and deliver to the School Corporation at closing an "issue price" certificate, together with the supporting pricing wires or equivalent communications, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Purchaser, the School Corporation and Ice Miller LLP ("Bond Counsel").

Bidders must comply with the rules of PARITY® (the "Rules") in addition to requirements of this Notice. To the extent there is a conflict between the Rules and this Notice, this Notice shall control. Bidders may change and submit bids as many times as they wish during the sale, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final bids to determine the winning bid. During the sale, no bidder will see any other bidder's bid, nor will they see the status of their bid relative to other bids (e.g., whether their bid is a leading bid).

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder therefor to accept delivery of and pay for the Bonds in accordance with the terms of its proposal. No CUSIP identification number shall be deemed to be a part of any Bond or a part of the contract evidenced thereby and no liability shall hereafter attach to the School Corporation or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing of CUSIP identification numbers on the Bonds shall be paid for by the School Corporation; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the Purchaser. The Purchaser will also be responsible for any other fees or expenses it incurs in connection with the resale of the Bonds.

The approving opinion of Bond Counsel, together with a transcript of the proceedings relating to the issuance of the Bonds and closing papers in the usual form showing no litigation questioning the validity of the Bonds, will be furnished to the successful bidder at the expense of the School Corporation.

The Bonds are being issued for the purpose of the renovation of and improvements to facilities throughout the School Corporation, including site and athletic improvements and the purchase of equipment, and will be direct obligations of the School Corporation payable out of ad valorem taxes to be collected on the taxable property within the School Corporation; however, the School Corporation's collection of the levy may be limited by operation of I.C. 6 1.1 20.6, which provides taxpayers with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. The School Corporation is required by law to fully fund the payment of debt service on the Bonds in an amount sufficient to pay the debt service, regardless of any reduction in property tax collections due to the application of such tax credits. The School Corporation may not be able to levy or collect additional property taxes to make up this shortfall. The School Corporation is a school corporation organized pursuant to the provisions of I.C. 20 23; the Bonds will not be "private activity bonds" as defined in Section 141 of the Code.

The Bonds constitute an indebtedness only of the School Corporation. In the opinion of Bond Counsel, under the existing federal statutes, decisions, regulations and rulings, the interest on the Bonds is excludable from gross income for purposes of federal income taxation.

The School Corporation has prepared a Preliminary Official Statement (the "Preliminary Official Statement") relating to the Bonds which it has deemed nearly final. A copy of the Preliminary Official Statement may be obtained from the School Corporation's municipal advisor, Baker Tilly, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240 2687. Within seven (7) business days of the sale, the School Corporation will provide the successful bidder with sufficient copies of the Final Official Statement (the "Final Official Statement") at the School Corporation's expense in order for such bidder to comply with Section (b)(4) of the SEC Rule 15c2-12 and the rules of the Municipal Securities Rulemaking Board. Additional copies, at the Purchaser's expense, must be requested within five (5) business days of the sale. Inquiries concerning matters contained in the Preliminary Official Statement must be made and pricing and other information necessary to complete the Final Official Statement must be submitted by the Purchaser within two (2) business days following the sale to be included in the Final Official Statement.

If the Bonds are reoffered by an underwriter, the School Corporation agrees to enter into a fourth supplement to continuing disclosure undertaking (the "Master Agreement") in order to permit the Purchaser to comply with the SEC Rule 15c2 12, as amended to the date hereof (the "SEC Rule"). A copy of the Master Agreement is available from the School Corporation or municipal advisor at the addresses below.

The School Corporation has further agreed to comply with the Purchaser's reasonable requests to provide or disclose information and make appropriate filings which may be required in order for such purchaser to comply with the SEC Rule.

Further information relative to said issue and a copy of the Preliminary Official Statement may be obtained upon application to Baker Tilly, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240 2687, municipal advisor to the School Corporation; or Jeff Studebaker, Superintendent of the School Corporation, 2421 Wilson Avenue, Madison, Indiana 47250. If bids are submitted by mail, they should be addressed to the School Corporation, attention of Baker Tilly, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240 2687.

NOTICE OF THE SUPERVISED ESTATE OF ALEXIS MARIE (HORTON) PARKER, DECEASED
TO: BRADLEY WILLIAM PARKER

In the Jefferson Circuit Court of Jefferson County, Indiana.
Notice is hereby given that Amy (Horton) Brinson, on the 11th day of March, 2020, was appointed as the personal representative of the estate of Alexis Marie (Horton) Parker, who died on the 29th day of April, 2016, not leaving a will. The estate is being administered with court supervision under cause number 39C01-2003-ES-000021 in the Jefferson Circuit Court located at 300 E. Main Street, Madison, Indiana 47250.
As an heir, a devisee, or a legatee of the estate (a "distributee"), you are advised of the following information:
(1) The personal representative has the authority to take actions concerning the estate without first consulting you.
(2) The personal representative is serving without posting a bond with the court. You have the right to petition the court to set a bond for your protection.
(3) The personal representative will obtain court approval of any action, including the amount of attorney's or personal representative's fees.
(4) Within two (2) months after the appointment of the personal representative, the personal representative must prepare an inventory of the estate's assets. You have the right to request and receive a copy of this inventory from the personal representative. However, if you do not participate in the residue of the estate and receive only a specific bequest in money or personal property that will be paid, you are entitled only to the information concerning your specific bequest and not to the assets of the estate as a whole.
(5) The personal representative is required to furnish you with a copy of the closing statement that will be filed with the court, and, if your interests are affected, with a full account in writing of the administration of the estate.
(6) You must file an objection to the closing statement within three (3) months after the closing statement is filed with the court if you want the court to consider your objection.
(7) If an objection to the closing statement is not filed with the court within three (3) months after the filing of the closing statement, the estate is closed and the court does not have a duty to audit or make an inquiry.
(8) You must appear and file a claim, objection or petition within thirty (30) days of the date of the first publication of this notice. Otherwise, the matter of distribution of the estate will be resolved or decided in your absence.
IF YOU DO NOT UNDERSTAND THIS NOTICE, YOU SHOULD ASK YOUR ATTORNEY TO EXPLAIN IT TO YOU.
The attorney for the personal representative is Wilmer E. Goering, II, whose address is Goering Law LLC, 322 Liberty Street, Vevay, Indiana 47043 and telephone number is (812) 427-2135.
Dated at Madison, Indiana, this 6th day of August, 2020.
